Media Credential Request

Media Guidelines

Broadcast of any electronic news-gathering that involves digital capture, film, videotape, and/or audio recording in any format or combination of formats shall be limited in length to no more than one finished minute in duration per day, with no segment exceeding fifteen seconds. Any use of such media must be time delayed, i.e., no sooner than at least three (3) hours after the happening of the event depicted. The media must not be available for downloading.
